Safety/Toxicity: Game Air is manufactured in accordance with European regulations and "Conforms to ASTM D-4236", an American standard for art materials which declares the raw materials present in the products have been evaluated by a toxicologist to determine if any harmful substance or component could potentially pose a chronic health hazard risk and all of the potentially hazardous components along with safe use precautions have been clearly labeled on the product packaging.

Bezpečnost / Toxicita: Produkty Game Air jsou vyráběny v souladu s evropskými předpisy a splňují normu „ASTM D-4236“ (americký standard pro výtvarné materiály). To znamená, že všechny použité suroviny byly posouzeny toxikologem, aby se zjistilo, zda některá složka nepředstavuje chronické zdravotní riziko. Všechny potenciálně nebezpečné látky a pokyny pro jejich bezpečné použití jsou jasně uvedeny na obalu produktu.
